AMERICAN MASTERS

THREE GREAT ARTISTS

The award-winning biography series AMERICAN MASTERS presents the stories of three artists who made tremendous contributions to music, literature and American culture.

The stories of author and activist Maya Angelou, singer Charley Pride and singer/dancer Sammy Davis Jr. are all told through a combination of their own words and interviews with family, friends and colleagues. While they came from different backgrounds and had their own unique talents, each found a way to overcome prejudice and injustice through artistic expression.

Enjoy these three documentaries and several more on APT as we celebrate Black History Month in February. You can explore AFRICA'S GREAT CIVILIZATIONS, discover "Black Americana" on ANTIQUES ROADSHOW, explore the JEFFERSON COUNTY SOUND and much more.
