JUNE MEMBER CELEBRATION

GREATEST CONCERT COLLECTION EVER

APT will remind viewers how important their financial support is in June - and for that purpose, we've put together perhaps the greatest collection of music programs we've ever assembled. June's schedule includes everything from classical favorites and opera to the Beatles, Paul Simon, and Idina Menzel. We'll share pop songs from the '50s, rock from the '60s, and soul sounds of the '70s. We've got Roy Orbison, a new remembrance of Johnny Mathis, and the latest concert special from Joe Bonamassa. Join us for the music and hear something new every night!
