**DISCOVERING ALABAMA:  
WHOOPIING CRANES**  
17 THURSDAY AT 8:00PM

**BOMBSHELL: THE  
HEDY LAMARR STORY**  
18 FRIDAY AT 9:00PM

## LITTLE WOMEN

**PREMIERES MAY 13**

Louisa May Alcott's *Little Women* is among the 100 books identified as America's favorite novels by "The Great American Read." Now, we're pleased to bring you a tremendous new adaptation of the coming-of-age classic on **MASTERPIECE**, premiering on Mother's Day, Sunday, May 13 at 7:00pm.

Heading the cast are Academy Award® nominee Emily Watson as Marmee, the devoted mother of the four adolescent March girls; Michael Gambon as Mr. Laurence; and Academy Award® winner Angela Lansbury as the March family matriarch, Aunt March. The March sisters feature newcomer Maya Hawke as the wilful and adventurous Jo; Willa Fitzgerald as the eldest and most virtuous, Meg; Annes Elwy as the shy sister, Beth; and Kathryn Newton as Amy, the youngest of the family. Heidi Thomas, the award-winning creator of *Call the Midwife*, wrote the adaptation.

## CELEBRATE THE POWER OF BOOKS

This month, APT joins with public television stations around the country in a nationwide campaign to explore the power of books and the joy of reading. *The Great American Read* looks at America's 100 best-loved novels, as voted on by the public, beginning with a special two-hour broadcast on Tuesday, May 22 at 7:00pm.

Over the course of 15 weeks in the summer, viewers can read and vote on favorite works of fiction. In the fall, additional episodes will explore the nominated books in more detail, leading up to the announcement of the MOST favorite book in October. Tune in and READ!
