**Experience It! Acadia National Park**
Stretching over an expanse of 47,000 acres, Acadia National Park is home to a vast range of natural beauty. Acadia fully encompasses the quintessential essence of Maine’s best nature. Take in the rugged mountains peeking out above the treetops, covered in a blanket of evergreen forests. From streams and sounds to ponds and ocean coastline, admire the striking contrast of the gentle blue waters to the rocky shores. In autumn, colorful foliage appears to go on for miles, continuing out of sight over the hills and valleys. In the early 1900’s, J. D. Rockefeller commissioned a network of roads throughout the park, initially designed for horse and carriage. These paths remain today but are frequented by bikes and adventurers rather than buggies.
